Guidance Counselor Name	<input type="text"/>
Mother's Name	<input type="text"/>
Mother's Email	<input type="text"/>
Mother's Cell Phone #	<input type="text"/>
Father's Name	<input type="text"/>

## Login Credentials :

Login Credentials like Login ID and Password is required for every teacher and student with different levels of access.

## User Access :

A teacher can enter, edit the attendance, while a student can view his/her attendance only.

Teacher	Enter
Student	View

# Attendance Sheet :

Attendance Sheet must contain details of students like name, reg. no. and a calendar and attendance values like present,absent,OD,etc...

The image shows a template for an attendance sheet. At the top, there are input fields for 'SUBJECT / COURSE:', 'TIME:', 'GROUP:', and 'LOCATION:'. To the right of these fields are dropdown menus for '<MONTH>' and '<YEAR>'. Below the input fields is a section labeled 'Class Description?' with a large grid for notes. The main body of the sheet is a large grid for recording attendance. The columns are labeled with days of the week (1-7) and months (1-12). The rows are labeled with student names (1-30). The bottom right corner of the grid contains a table for 'STUDENT TOTALS' with columns for 'Present', 'Absent', and 'Other (OD)'. The table has 30 rows, one for each student, and 3 columns for the totals.

THANK  
YOU
